As a computer application student, I bring a strong passion for technology and a knack for problem-solving to every project. With a keen eye for detail and a dedication to staying up-to-date with the latest industry trends, I am committed to delivering innovative solutions that meet the needs of today's fast-paced digital world.

EDUCATION

Senior Secondary
Government Boys Senior Secondary school, New kondli, Delhi
2018 - 2019   *New delhi*

Bachelor's in Computer Application
Institute of Management Studies, Noida
2020 - Present   *Noida*

PROJECTS

Pretium Soltech (Freelancing) (11/2022 - 02/2023)
- Designed and developed an engaging and user-friendly landing page for Pretium Soltech that effectively communicates the company's mission and services to potential customers.
- Implemented responsive design techniques using HTML, CSS, and JavaScript to ensure that the Pretium Soltech website is optimized for viewing on a wide range of devices, from desktops to mobile phones.
- Built a robust backend using PHP to enable seamless integration of contact forms and other interactive elements on the website, improving user engagement and driving business growth for Pretium Soltech.

Thinktantra (College Project) (10/2022 - 01/2023)
- Developed a note-selling website with modern web technologies and collaborated with a team to deliver a high-quality project within a tight deadline, showcasing proficiency in web development and effective teamwork under pressure.

WORK EXPERIENCE

Future ready talent internship
Nasscom
06/2022 - 08/2022
Achievements/Tasks
- Developed a blogging website from scratch using HTML, CSS, and JavaScript. I worked closely with the design team to ensure that the website was visually appealing and easy to navigate for users
- Utilized Microsoft Azure and GitHub tools to deploy the Future Ready Talent website as a static web app, ensuring that the site is highly scalable, secure, and easily accessible to users across the globe.

Campus ambassador
E-Cell IIT Bombay
07/2022 - 03/2023
Achievements/Tasks
- As a Campus Ambassador for E-Cell IIT Bombay, I promoted entrepreneurship among students on campus through organizing various events, workshops, and networking opportunities.
